**CELEBRATING LIFE'S EVENTS**

**WEDDINGS**
It is not necessary to be a member of the cathedral congregation, or to be an Episcopalian, to be married here. Nevertheless, a marriage in the cathedral is different from a civil ceremony. Couples should be open to a discussion of the spiritual nature of their relationship and the place of God in their lives.

Although other clergy, including clergy of other denominations, may assist or perform services here, normally cathedral clergy officiate at weddings.

The Cathedral and the Episcopal Church fully embrace marriage equality.

**BAPTISMS**
Holy Baptism is initiation by water and the Holy Spirit into the church. The Cathedral administers the Sacrament of Holy Baptism four Sundays per year: at the Great Vigil of Easter and Easter morning (spring), All Saints’ Day (fall), the Feast of the Baptism of the Lord (winter), and the Feast of Pentecost (summer).

**FUNERALS AND MEMORIAL SERVICES**
Funeral services and memorial services are scheduled as space and time permit. Officiating clergy will, together with the family, plan the service. Pledging members of the congregation and those owning columbarium space (see below) are exempt from space-use fees.

** Columbarium**
Grace Cathedral offers an opportunity to lay to rest the cremated remains of a loved one in a beautiful and sacred space, overlooking the glorious cathedral nave.
