Stewardship 2020
Dear Friends,

Stewardship season is a time to honor and celebrate the journey of life together. I am excited to be a part of 100% GRACE in this Year of the Body. As a congregation, we’re bound by our Christian belief in the inherent dignity of every person, knowing that we are each an embodiment of God’s unconditional love. It is how we know that everybody counts, and it is the basis for our life’s work to transform the world for the better.

Our congregation is known for its inclusive spirit, hospitality and engagement. As a body, our congregation makes a large Gothic cathedral feel like a home for our diocese and the wider community. Every day I am grateful for this generosity and stewardship.

Members of Grace Cathedral are a vital part of the home team in our mission to reimagine church with courage, joy and wonder.

I invite you to help lead our vision for a spiritually alive world by renewing your stewardship support or by joining us for the first time with your pledge.

Love,

The Very Rev. Dr. Malcolm Clemens Young
Dean of Grace Cathedral

Stewardship is a cherished practice in the Episcopal Church that helps us connect our lives to the mission of Grace Cathedral. With our annual financial gifts, we give thanks for the blessings that we receive and share with others in service. It is a way for everybody in our community to open our spiritual home to San Francisco and the world.
