

OPEN POSITION

Choirman (Tenor), Cathedral Choir of Men & Boys

Working at Grace Cathedral

Grace Cathedral is San Francisco's Episcopal cathedral for everyone – a place of inclusive community, worship and spiritual practice, social justice, music and the arts, yoga and more. We work actively for racial, gender and LGBTQ+ justice, environmental stewardship, citizen awareness, support for seniors, and an end to gun violence.

You may know Grace Cathedral as a glorious house of prayer and healing for all people, a magnificent architectural treasure and a venue for inspired and provocative cultural and arts exhibits and performances throughout the year. But Grace Cathedral is also a great place to work!

Our mission is re-imagining church with courage, joy and wonder.

We celebrate diversity, are committed to anti-racism and seek job candidates who will bring their unique experience to enrich our culture and organization.

For lay positions, it is not required to belong to or practice a particular faith in order to work here, but everyone on our team should be aligned with the vision, mission and values of Grace Cathedral and contribute to achieving its strategic goals.
