Accessible Entrance to the Cathedral
Grace Cathedral has an accessible entrance for wheelchair users and others from the sidewalk on Taylor Street and from the Grace Cathedral Garage also on Taylor Street.

From the bottom of the Great Steps on Taylor Street facing the cathedral, proceed north towards Sacramento Street. Just past the Great Steps, enter through the double glass doors at 1051 Taylor Street. Turn left after entering and proceed down the hall, turning right past the restrooms and continue until you reach the elevator on your right. Take the elevator to the main floor of the cathedral by pushing the button for floor 1.

Grace Cathedral Parking Garage
Grace Cathedral Garage is a paid parking facility on the same block as Grace Cathedral. It is managed by a third-party company called SP+ Parking. The parking garage is in the middle of the block on Taylor Street between California Street and Sacramento Street. The phone number for assistance or information about rates, etc. is 415.346.9156.

The Grace Cathedral Garage is connected directly to the lower level of Grace Cathedral, making it the easiest way to park and visit Grace Cathedral when parking spaces are available. From inside Grace Cathedral Garage, on the southeast corner of level G1, painted on the wall is a sign in large letters that reads "GRACE CATHEDRAL ENTRANCE / WILSEY CENTER / TAYLOR STREET". Enter the double doors beneath this sign (they're light purple). Turn left after entering the short hallway, then turn right at the sign that reads, "Elevator to Cathedral". Proceed down the hall, turning right past the restrooms and continue until you reach the elevator on your right. Take the elevator to the main floor of the cathedral by pushing the button for floor 1.

Grace Cathedral Garage has a total of 110 parking spaces, including 6 accessible parking spaces. About half of the spaces are reserved by monthly parkers, which can sometimes result in limited parking availability during larger services, concerts, and events, especially during the holiday season. If you require an accessible parking space, we encourage you to call SP+ Parking at 415.346.9156 to ask how early you should arrive to have the best chance of getting an accessible space.
