

# GRACE CATHEDRAL YOUTH GROUP SEPTEMBER-NOVEMBER 2024

RSVP and for details on where to meet us: [stephm@gracecathedral.org](mailto:stephm@gracecathedral.org)

**SUN**  
**9/15**

## Flower Piano and Picnic: 1-3:30 pm

We will visit the SF Botanical Gardens for the annual Flower Piano event! Picnic, play music and celebrate all of creation.

**SAT**  
**9/21**

## Beach Walk and Clean-up: 9 am - 12 noon

We join forces with St James' Youth Group to participate in the 40th Annual Coastal Cleanup. Enjoy community while caring for creation.

**SUN**  
**10/20**

## Magical Making and the Meaning of Halloween: 1-3:30 pm

Gather for crafting, costume making and a reflection on the origins of All Hallows' Eve and the special days that follow.

**SUN**  
**11/10**

## All Souls' Requiem and Reflection: 11am - 1:30 pm

Youth will attend this service and experience its sublime music as a group. We'll then meet with those involved in this music to learn more!

**SUN**  
**11/24**

## Seasonal Baking: 1-3:30 pm

We will gather to bake seasonal treats for our neighbors who may need some extra joy this holiday season.

## INTERGENERATIONAL GATHERINGS

**Youth Group will be participating in the following community events and forums at Grace Cathedral. Please join us!**

### **Bible Challenge for the Season of Creation: Sunday September 1 and October 4, 1-2:30 pm**

You are warmly invited to take the challenge: one scripture passage and reflection a day for fifty days! Each reading has an environmental theme that promises to move and inspire.

### **Forum with Stephanie Spellers: Sunday, October 13, 1-2 pm**

On the eve of Indigenous' Peoples' Day, join us for a powerful conversation with one of the leading thinkers about justice and the future in the Episcopal Church.

### **Edge of Halloween, Sunday, October 27, 1-4 pm**

This free community event is beloved by families across the Bay Area. Youth are invited to come, in costume, to greet children and join in the fun!

### **Eco-Friendly Holiday Making, Sunday, November 3, 1-2:30 pm**

Come and learn about ways to have a great, eco-friendly holiday season.
